## TECHNICAL EXPERIENCES

### Wikipedia of Indigenous Languages + Archive of Healing - Lead Programmer + Project Manager

Jul. 2025 - Present

- Lead migration of two fully interactive websites (**12,000+ users, 200K + records**) from Drupal To Wordpress, partnering with Koreatown Storytelling, Wixaritari, and Peru's Ministry of Culture
- Coordinate bimonthly core team meetings (4 members) and monthly meetings for **advisory board** (20+ members) to provide updates on every step from testing, development, and launch
- Manage AWS EC2 infrastructure, configure S3 backup pipeline, and maintain platform stability throughout migration

### Apex Academy - Counselor + Tutor

Sep. 2025 - Present

- Conduct **5+** one-on-one **sessions per week** providing tailored feedback to middle and high school students involving STEM internships, college applications, community volunteering opportunities, and national essay competitions
- Prepare interactive lectures, practice tests, and knowledge check-ins **AP Calculus, AP Physics, and AP Computer Science** in order to accommodate multiple learning styles and ensure student success
- Guide students through holistic college applications strategy including college essays, supplementals, and extracurriculars, producing acceptances to top schools such as **Cornell, UCLA, Berkeley**, and other top institutions

### UCLA Digital and Technology Solutions - Customer Service Analyst

Jul. 2025 - Sep. 2025

- Assisted **50+ daily users** in essential campus operations such as password resets, **VPN setup**, wireless access, **file management**, Adobe/Microsoft package installations, **website hosting**, proxy services, etc
- Fostered professionalism and communication through high-volume client interactions, both in person and on call

### Metro Mover - Full-Stack Web Game (MERN)

Jun. 2025 - Aug. 2025

- Created a fully playable videogame-styled multipage website with **100+ hand-drawn** pixel assets to map attractions accessible on the LA Transit System with a goal of improving civic engagement + **public transit literacy**
- Individually built backend and frontend interfaces to allow for **secure user auth**, distance-based attraction sorting, filtering by transit line or venue type, and an interactive discussion board

### Bathroom Code Database (BCD) - Full-Stack Public Access Utility App (MERN)

Apr. 2025 - Jun. 2025

- Constructed a **scalable app** to locate and share local bathroom locations and associated metadata using **geolocation APIs** and real time data features, using GitHub branches/commits to practice **version control**
- Fully stylized **retro user interface** with custom CSS complete with **secure user auth**, post creation/editing, **address autofill**, distance-based sorting, and **interactive favorite/like** features

### California Food Deserts - Data Analysis Website

Apr. 2025 - Jun. 2025

- Developed multipage **Wordpress** website with **embedded Tableau data visualizations** and interactive plugins/themes to analyze the socioeconomic patterns underlying food deserts in California US 2010 Census datasets

## EXTRACURRICULARS

### UCLA Campus Events Commission - Web Dev Board Member

Oct. 2025 - Present

- Maintain organization's main site and 3+ event-specific sites, assisting in tasks from **website hosting maintenance**, frontend/backend development, and **database management**, using GitHub based collaboration
- Redesign main website by creating **Figma wireframes**, gathering cross-team feedback across 7+ committees

### Fountain Valley Vietnamese Church - Worship Leader; Children's Ministry Teacher

Aug. 2022 - Present

- Perform piano weekly in worship for **50+ members** English ministry and **200+ members** Vietnamese ministry
- Lead bible lessons for young children (**ages 5-12**), teaching age-appropriate lessons aligned with ministry goals

### UCLA Math Circle - Assistant Instructor

Jun. 2025 - Sep. 2025

- Prepared weekly lessons to **20+ children** on topics such as **binary numbers, mathematical induction, and Python**
- Completed weekly packets, self studying the topics beforehand in order to ensure mastery before teaching to students

### Paratus Agency (Campaign Management Company) - Talent Scout + Consultant

Jan. 2019 - Aug. 2024

- Onboarded **200+ creators** in partnership with **Tiktok**, **Tangi**, and **Vigo** to garner a collective following of **14.5+ million followers** by scouting prospective talent with potential for growth
- Authored feedback for creators by reviewing 100+ videos/wk, resulting in an avg of **200% increase in following**

**Hobbies:** Sewing, Trinket Making, Lantern Construction, Book Binding, Film Photography, Fighting Dinosaurs with my Niece
